Lisa Eskesen		Jolene Pruyt
Tiffany Wilhelm		

### Meeting called to order

#### **ACTION ITEM: Approval of prior meeting's minutes and budget review**

Minutes were approved and the budget report was reviewed.

**SWIG Gift Card Fundraiser:** The SWIG gift card fundraiser is currently open. To date we have sold \$6114.00. The fundraiser will continue to be open through this weekend. Cards will be picked up and distributed once the fundraiser closes.

**Principal's Report:** Ms. Adams presented details about next year's TSSA plan. Walk to Read, Really Great Reading and MSRC will be utilized to help students achieve typical or better growth as measured by Acadience. Teachers will work with the coach to improve Tier 1 instruction and will utilize their PLC time to discuss reading progress. Professional development opportunities to improve reading instruction will be available.

The principal also outlined the Ron Clark House System that we will be implementing school-wide next year. This system assigns each student and employee to one of eight houses. Each house is based on a specific value such as unity, friendship, giving.

**LAND Trust Plan:** The proposed LAND Trust plan was submitted for a vote. The goal is for 73% of students to make typical or better growth in reading. The plan provides funding for walk-to-read aides, assistants to teach during teachers' PLC time, professional development for teachers and for specific software purchases. The plan was approved by the council.

**Meeting Adjourned**

**Next Meeting:** September 27, 2024 @ 2:00 in the Fox Hollow Media Center.
