

1st Grade DLI has been filled for next year with 56 students enrolled. The position for 6th Grade French has been filled. We are still interviewing for 1st Grade French. The school is reducing the numbers of teachers in 1st Grade and 3rd Grade to 4 classes. FTE will be used to keep 4 teachers in 5th Grade next year. We will also be getting an aide for 3rd Grade to help with the larger class sizes.

Our reading goal for the year is 68% growth. At the middle of the year acadience the growth percentage for 63%. There was higher growth in the older grades because they spend more time in text so we are working on how to increase the time in text for the younger grades.

They are looking to do Kindergarten testing a little differently this year. They are planning to meet with the parents and set goals for where the kids are.
