Agenda

- Approval of Prior Meeting's Minutes

Motion to approve minutes. Cassie Carson motioned. Seconded by Natalie Ball.
Minutes were approved.

- Principal's Update

Shelby Mason is leaving so a new teacher was hired on Tuesday February 25th
and has started.

Principal Adams highlighted that there is now enough 1st Grade enrollment to do a 2 teacher model in first grade French for next year. She also highlighted that we just finished the 2nd round of Acadience testing (Middle of the Year). She shared that in 20-21 we had 55% growth in acadience. 21-22 we had 61% growth. This data is just assessing the K-3. The last 2 years data assesses the whole school. We saw 69% growth for the whole school in 2023 and 65% growth for last year. We are continuing to work on MAZE strategies to help the students.

- Review Current Land Trust & TSSA Budgets

- [Link to 2024-25 Land Trust Plan](#)
- Land Trust Acadience growth data

2024-2025 Land Trust plan was reviewed.

- 2025-26 Land Trust Plan

The plan for 2025-2026 was reviewed. It was explained that the plan will fund 6 out of 12 total aids that we have for Reading. It also pays for STEM and PE teachers. It was also highlighted that it provides a stipend for SST (student success committee) teachers and the importance of that committee to help the students.

Plan was reviewed and Cassie Carson voted to approve the plan. Kira Haslam seconded.

- Other

We discussed the recent chipotle fundraiser in which \$215 was raised. It was discussed whether to hold another fundraiser potentially with Nothing bundt Cakes and was decided to review this at a later date.

The principal also shared that office referrals have decreased dramatically this year due to the implementation of the house system.

Next Meeting: TBD

Meeting adjourned by Chelsea Keith and was seconded by Cassie Carson.
